American Heart Association Basic Life Support (BLS) Instructor Course Certification

This course is designed for the ***experienced provider only***. You will be learning how to teach BLS Provider and Heartsaver courses. The steps for becoming an American Heart Association (AHA) BLS Instructor are:

1. Have a current American Heart Association BLS Provider certification and be ***proficient*** in all the skills
2. Complete an Instructor Candidate Application to be accepted into Polytech Adult Education AHA BLS Training Center or another AHA BLS Training Center
3. Complete the AHA BLS Instructor Essentials Online course prior to attending the in-person day
4. Successfully complete the in-person classroom day
5. Successfully monitor a course being taught by other instructors
6. Successfully complete being monitored teaching your first course within six months of completing the in-person classroom portion of the course by the training center faculty
(Training Center Coordinators can require additional monitoring if needed)

November 13, 2021

9:00 am - 4:00 pm

Polytech Adult Education, 823 Walnut Shade Road, Woodside, DE 19980

Cost for the course is \$300.00 per person. Seating is limited.**

Cost for the program will include materials to run a BLS Provider course upon completion of the steps above

A copy of your current AHA BLS Provider card and completion certificate from AHA Instructor Essentials Online course must be submitted prior to attending the in-person classroom portion of the course

Upon successful completion of the course requirements you will be certified to teach the American Heart Association Heart Saver CPR AED & First Aid, Pediatric Heartsaver First Aid CPR and BLS Provider courses

Deadline to sign up is November 3, 2021

Course fee **DOES NOT include:

- The American Heart Association BLS Instructor Essentials online course (video)—go to www.onlineaha.org to purchase and complete the course. The cost is \$35 and is paid directly to the AHA.
