

### Program Overview

Polytech Adult Education and Dogfish Head Craft Brewery are collaborating to offer job seekers with a unique opportunity. Individuals who meet the entrance requirements and successfully complete the Warehouse Operations & Material Handling course at Polytech will be offered an employment opportunity at the Dogfish warehouse in Milton, DE.

### Course Details

**Warehouse Operations & Material Handling** is a 30-hour (5 day) hybrid course that prepares participants to work in a modern warehouse environment. The course includes instruction in the areas of warehouse operations, material handling, inventory, and workplace safety. The training includes a 10-hour **Forklift Operator/Safety training** that is designed to meet OSHA standards and provide the knowledge and safety awareness to operate a forklift. Participants are required to safely and efficiently operate a forklift and demonstrate practical competency during the course of the training.

### Schedule

- June 21 - June 25, 2021
- 8:30am - 3:30pm

### To be eligible for this FREE workforce training you must:

- ✓ Attend an information session
- ✓ Be available for regular attendance each day
- ✓ Be in possession of a Social Security card
- ✓ Provide proof of birth date and U.S. residency
- ✓ Be eligible to work and willing to work full time
- ✓ Complete background check & drug screen
